Dear Arizona Corporation Commission,

Docket Number: E-01345A-16-0036 & E-01345A-16-0123

Please evaluate carefully APS's claim for a rate hike. Demand Charges and increasing the monthly fixed fee are crafted so that consumers who reduce use are penalized. APS has used its influence to kill rooftop solar and hold control over power transmission even if it is more costly to centralize it. This is not a company that cares about its customers but about empire building.

Please oppose any increase to the basic service charge.

Please also vote no on mandatory residential demand charges.

Please say no to unfair utility charges.

Thank you for looking out for the greater good for all of us.

Sincerely,

MS. Elizabeth Sexton
